

Principal's Message

Purpose Secondary School

April 8, 2024

Dear Purpose School Family,

The year is flying by with only 12 weeks left remaining in the 2023-2024 school year.

Here are the dates you need to know for this month:

MARK YOUR CALENDARS!!!

Monday, April 15: *Museum of Vancouver Tour*

Grades 10-12 will be going to the Museum of Vancouver for a spectacular tour.

Tuesday, April 16: *Numeracy 10 Assessment / Grade 8 & 9 Skateboarding Lessons*

Thursday, April 18: *Literacy 12 Assessment / Grade 8 & 9 Field Trip to Police Museum*

* The assessment will take place from 12:30pm to 3:30pm. Please note that there will be no regular afternoon classes for Grade 10-12 due to the assessments on those days. If you don't have any assessment to write, you are dismissed and should not linger in the school.

Wednesday, April 17: *Krispy Kreme Donut Sale!*

Did someone say "Krispy Kreme"? That's right, the second one of the year! The Leadership class is leading this fundraising activity. If you would like to pre-order a dozen, please email Rick at rick.gill@purposesociety.org for the quantity and cost.

Friday, April 19: *Q2 Interim Report Cards emailed*

The interim report card is a reflection of the student's most up to date academic progress. These report cards will provide comments only. There will be no grades. The final grades will be released in July on the final report cards. If you've recently changed your email address or do not receive your child's report card, please email johnny.chang@purposesociety.org or call Johnny 778-727-3410.

Monday, April 22: *11:30am Scholarship/Bursary Information Meeting*

This information session is for all prospective graduating students. Please meet with Merrilyn and Johnny in the open space on the main floor.

Thursday, April 25: *Parent-Teacher Conferences*

More information to follow closer to date.

Drumroll please!!!

Both students will receive a Timmi's Gift Card.

New award winners will be announced in our next bulletin, so stay tuned!

2024-2025 School Registration

Lastly, we are in the process on planning for the 2024-2025 school year. If you know of a youth in Grades 8 to 12 who would benefit from being a student in our school, please encourage them to email me merrilyn.cook@purposesociety.org or call me on my cell at (604) 512-6888. I would be pleased to discuss our school, provide a tour and answer any questions they might have.

Warmest regards,

Merrilyn Cook
